Email: ochiengphidel1@gmail.com

Motivated university student with a passion in tech world, hoping to become one of the great tech minds, dreaming of utilizing my skills and provides opportunities for growth and development, as well as learning newer skills in this tech world.

EXPERIENCE

01ST JAN 2023 – 20TH AUG

VIDEOGRAPHER/PHOTOGRAPHER, JESUS CELEBRATION CENTRE (JCC)
INTERNATIONAL MINISTRIES

- Captured high-quality videos and photographs for various church projects, including services, events, interviews, and promotional materials
- Conducted pre-production planning, including shot lists, location scouting, and equipment setup
- Edited videos and photos to enhance visual appeal, using professional software and techniques
- Collaborated with other church departments to understand their vision and deliver creative solutions that met their needs and expectations

2020 – 2022

HOUSE PAINTER, FREELANCE

- Prepared surfaces for painting, including sanding, priming, and repairing damaged areas
- Applied paint using brushes, rollers, or sprayers, ensuring smooth and even coverage
- Assisted with colour selection and provided recommendations to clients based on their preferences and the project requirements
- Maintained a clean and organized work area, ensuring the proper storage and care of painting tools and materials

DURING ACADEMIC HOLIDAYS (2017-2022)

SALES ASSOCIATE/CASHIER, FAMILY-OWNED BUSINESS (HOTEL)

- Provided exceptional customer service by assisting customers with menu inquiries, recommending dishes, and processing sales transactions
- Maintained a neat and organized hotel environment, ensuring products were properly displayed and stocked, as well maintaining an attractive landscape
- Actively engaged with customers to understand their needs and provide personalized meal recommendations
- Met and exceeded sales targets through effective sales techniques and menu knowledge
